## MAMMOTH TASK AHEAD OF APEX CLUB

Following negotiations between the Apex Club of Altona and the Shire Council, the Apex Club have been granted permission to develop an area of 11 acres as a public recreational reserve.

The land to be developed has a total area of 14 acres and is situated between the Koorlingal Golf Club and the beach.

Previously, a buffer zone between the south-western residential development and the Explosives Magazine, it has recently been released to the Shire Council, following the transfer of the Magazine to Point Wilson.

The Shire Council has retained three acres for development as a Caravan Park and has also undertaken to provide a boat ramp and turntable on the Apex area.

Due to the nature of the land the Apex Club have undertaken a very big job. Preliminary estimates show that approximately 10,000 cubic yards of filling will be required to level the land, and cost £8,000 to bring the scheme up to the initial stage of development.

The initial stage will provide for—

1. Filling and levelling;
2. Grass and pathways;
3. Water;
4. Fencing; and
5. Car parking.

To provide the finance for the scheme the Apex Club has opened a Park Development Fund and will launch, in the immediate future, a major raffle as a first step towards the implementation of the project.

### POLICE NOTICE

Would any person witnessing a collision between a cyclist and a motor car at the intersection of Jack Street and Anderson Street, Newport, at 6.30 p.m. on Tuesday, February 26, 1963, please contact Newport Police.

### COUNCIL REVERSES DECISION

The Shire Council have reversed a previous decision that the bridge to be built over Altona Road as part of the Seaholme Swamp Drainage Scheme be not started until such time as the Board of Works commence work on the building of the drain.

At the council meeting last Tuesday a letter from the M.&M.B.W. was received and in it the Board stated it would dig the drain when the bridges were completed. The bridges are the bridge over Altona Road and the railway bridge.

Rather than have a long drawn out fight with the Board of Works, Cr. H. W. Lee suggested council reverse its previous decision and construct the bridge as soon as possible. In seconding the motion Cr. S. McIntosh said there was still a lot of water lying in the swamp and he feared the consequences of a wet winter.

Council agreed with this suggestion and the planning of the bridge is to be commenced immediately.

### RETURNS FROM THE UK

After holidaying in England for two years, Mrs. Hilda Sladen and her daughters (formerly of Bracken Grove) have returned to live in Victoria.

Mr. and Mrs. Sladen are now living at Williamstown and the girls are attending the W'town High School.

## NEW COACH FOR ALTONA FOOTBALL CLUB

Mr. Reg Featherby, a former Williamstown player, has been appointed non-playing coach of the Altona Football Club. Mr. Featherby played 173 games for Williamstown and also represented the V.F.A. in the 1950 Carnival series.

Owing to other commitments the newly elected president, Mr. E. W. Ward, has resigned. Mr. J. Green, of Millers Road, Seaholme, was elected as the new president at the committee meeting last night.

Training commences next Tuesday, March 19, and all old and intending players are cordially invited to attend.

A general meeting will be held in the clubrooms on Monday, March 25.

## Hotel Objects to Hotel

The owners of the Central Hotel, Development Consolidated, have lodged with council an objection to the application by Swanburke Ltd. for permission to erect an hotel on the corner of the Esplanade and Pier Street.

Development Consolidated pointed out to the council that considerable expenses was incurred in building the Central Hotel and such was based on the assumption that the hotel trade in the whole

Altona area would be available for a number of years.

The credit squeeze had affected business and the company felt that it should not be subject to competition at this stage. Such objection has also been made to the Board of Works.

"This objection is rather audacious," said Cr. V. Hearn. "This firm has assumed it would have a monopoly over the hotel trade in the district and we will not support his view."

Cr. Hearn said we are trying to make Altona a place where people can come and have every facility and this proposed hotel, providing it conforms with requirements, will be a great asset to Altona. It will also get rid of the eyesore of this corner.

Cr. H. W. Lee said we are entitled to a facility of this nature—in this area of Altona there is no facility for hotel enjoyment. He would not support a monopoly as the essence of life is free enterprise. He suggested that at this stage the objections could not be accepted and council agreed to this suggestion.

The Council's Board of Works representative, Cr. J. J. Ginifer, said he was pleased this matter had arisen, as being a teetotaler himself, he could not guarantee his reaction to this objection when it arises at a Board of Works meeting. But now he knows the wishes of the Council. He will be pleased to support it.

### 600 NEW HOMES

Important progress is taking place on either side of Grieve Highway, north of Civic Parade.

Geo. Wimpey & Co. are proceeding further with their development of this area. A new range of homes of improved design is being built.

The external walls are in combinations of brick and weatherboards and incorporated in some of the designs are car-ports.

These additional homes will ultimately house approximately 2,500 people making a significant contribution to Altona's future.

## Students in Mock Naturalization Ceremony at East Altona

Last Friday, in brilliant sunshine, the pupils of the East Altona Primary School acted as candidates for naturalization in a mock ceremony held at the school. The ceremony was conducted beneath the Australian flag in the school assembly area by the Shire President, Cr. A. W. Bond, and Cr. S. McIntosh who explained the proceedings to the boys and girls.

In a talk to the children Cr. Bond said both he and Cr. McIntosh were only too pleased to conduct mock naturalization ceremonies as they believed them to be of educational value. He told the children to go home and explain to their parents how there is nothing to fear and nothing awe inspiring about the ceremony. In this way Cr. Bond hopes the parents will be encouraged to become naturalized.

Mr. Duffy, headmaster, pointed out that of 580 pupils at the school 31% were new Australians. Among the new Australians are 27 children who cannot speak a word of English, but it is interesting to note that by the end of the year these children will be eleventh or twelfth in the grade, said Mr. Duffy.

The pupils who acted as candidates for naturalization and represented their country of origin were—Italy: Dominic Lombardo, Rosa Tavila; Malta: Alfred Cassar; Finland: Paivi Sakala; Greece: Panny Papashalis; Yugoslavia: Zelyko Jacovac; Holland: Eric Haass; Germany: Wolfgang Kinder, Monica Weiglib; Poland: Elaine Izydorczyk; Austria: Gerhard Althein; Russia: Irena Krivushenko; and Hungary: Imre Farkas, Laszlo Fekete.

## Traffic Census On Bad Crossing

On March 6 council took a traffic census at the intersection of Millers and Kororoit Creek Roads. This census was the outcome of council's decision one month ago to approach the traffic commission with a request for stop and go lights at this intersection.

When approaching the commission it is necessary to give full details and the traffic census is one of the requirements.

It is interesting to note that in comparison with a census taken during March, 1958, that the traffic crossing the intersection from 7 a.m. to 7 p.m. has practically doubled. The figures, 8,264 vehicles in 1963 and 4,567 vehicles in 1958, gives a traffic increase of 12½% per annum. This rate of increase means that traffic will double every six years.

The number of vehicles was made up by 2,765 vehicles entering the inter-

section from the north, 2,601 from the south, 1,695 from the east and 1,203 from the west, giving a total of 8,264 vehicles.

Cr. J. J. Ginifer, who is very averse to any flashing light traffic signals, asked the council to also give consideration to the desirability of having pedestrian crossings (including children's crossings) within the shire converted to the press button Walk/Don't Walk type.

As there are certain standard requirements before this type of signal will be installed Cr. Ginifer asked that a census of pedestrians using crossings and vehicles passing over the crossings be taken at all pedestrian crossings in the shire. When these figures are available further consideration will be given to see if pedestrian-operated signals are warranted.

oOo

### SPEEDING FINE

Noel Ernest Leicester, of Park Street, West Newport, was fined £5 for doing a steady 50 m.p.h. in a 30 m.p.h. in Millers Road, Altona North, on December 19, 1962.

## EDITORIAL

## CRICKET

The closing match of the year is now in progress. Altona Cricket Club alone has reached the semi-finals. In general, it has been a rather disappointing season. Now football is in the air.

There is nothing more to do than to put away our gear and possibly to examine the records of our achievement. Cricket, in spite of the glamour attached to Test Matches and partly reflected in Sheffield Shield games, is largely a participant sport. Like all such sports it primarily gives personal satisfaction. It is a fortunate fact that the cult of records cannot and should not conceal this feeling. The lists of averages certainly show in top positions those who most largely contributed to their team's success in batting and bowling. The remaining names just as truly show those who enabled the clubs to continue by their support.

After all, 11 players are necessary to make a team. How little often do records measure. They cannot record the thrill a batsman feels when at last he conquers that ball which was frequently his big bear, or the emotions of a bowler when he defeats an obnoxious stone-waller, or the inner joy of a successful fielder. They also can't measure the enthusiasm of a not so successful player who holds his end up (in a figurative sense of course) till the last ball is bowled.

In life as in cricket it is the not so successful player who is essential to the makeup of the team—all that we request is that—

"We play up, play up and play the game."

## Altona North High School Report

On Friday, March 1, the Altona North High School Speech Night was held. Among those present were Mr. D. Nancarrow, president of the Advisory Council, Cr. A. W. Bond, President of Altona, Shire, Cr. J. Knight, Mayor of Williamstown, Mr. J. Crocker, District Inspector of Schools, Mr. H. Rea, (P.R.A.), Mr. J. Scott (A.C.B.), Mr. V. Weldon, Parents' Association, and Mr. J. Wood, of the State Schools Committees and Advisory Councils Association (guest speaker).

Mr. Wood made a plea for greater interest in public affairs. The school should not be regarded as a place to which children are sent for eight hours a day, thus relieving the parents of their care, but instead parents should take a lively interest in assisting the school to function at its best.

A plea for greater use of reading and expression as being the means of communication between groups was asked by Mr. Woods. He added that children should be encouraged to read, and to express themselves orally and in written English.

The headmaster, Mr. McGill presented the following report of the Altona North High School, covering the period February-December, 1962.

The gross enrolment for 1962 was—

	Boys	Girls	Tot.
Form 111. . . . .	37	40	77
Form II. . . . .	31	80	111
Form I. . . . .	48	87	135
	116	207	323

The net enrolment on December 1, 1962, was 305.

It is very pleasing to see that the enrolment in the senior form remains relatively high, for more and more employers are requiring higher qualifications from employees, and it is essential that children should remain at school until they have obtained the highest qualifications of which they are capable.

**ACCOMMODATION**  
The accommodation for 1962 was quite adequate. It was possible to have special rooms for particular subjects.

**GROUNDS**  
It is with great satisfaction that we learned of the provision of a boundary fence along Millers Road and Mc-

Arthurs Road. The fence was completed by the Public Works Department during the year. When buildings are erected in the adjoining property, probably during 1963, the school will be completely fenced. It should then be possible to carry out extensive tree planting in the grounds. The swampy area at the front of the school is being filled with filling preparatory to covering with loam and planting with grass.

The garden plots around the school were planted with shrubs and plants by the P.W.D. and a band of enthusiastic pupils and parents, and were carefully tended during the year. The plots were allocated to houses for an interhouse competition, and this resulted in some very keen gardening.

The poplar trees planted along the western boundary had been carefully tended by Mr. Snow, but unfortunately have been damaged by a grass fire during the recent holidays.

The Parents' Association has erected 230 feet of seating around the quadrangle. The children greatly appreciate this, which was the result of a working bee organised by Mr. Laffey and the Parents' Association.

## EQUIPMENT

The school has obtained all the equipment supplied by the Education Department. All sections—science, woodwork, needlework, cookery and commercial, are fully stocked and in operation. The Education Department has supplied equipment to the value of £600 for the canteen.

The following items also have been obtained since the last report—

A School Piano provided by the Ladies' Auxiliary;

A Sound System, which enables broadcasting to each room and to outside the school, provided by the Education Department;

A Radiogram, for use in the teaching of typewriting and shorthand with a series of records for typing and dictating at varying speeds;

An Adding Machine, for use in office and bookstall; and

A Movie Projector, to enable the school to make use of the Education Department's lib-

rary of some 2,000 films.

## LIBRARY

There are now 2,400 books in the school library. These comprise both reference books and fiction.

The Education Subsidy for 1961-62 which was originally £50, was increased without notice, and this school took the opportunity of a further £50. The P.R.A. presented the school with a reference Encyclopaedia (the World Encyclopaedia) of 20 volumes, valued at over £130, to mark the completion of 100 accident-free days on August 27. A group of pupils attended a presentation at the refinery.

The Shire of Altona made a donation of £16/3/- towards the library.

It is the intention of the school to develop the library resources to the full, and to encourage the children to read at school and at home. Pupils may borrow books, fiction or reference, and it will be much appreciated if parents will encourage children to spend a little less time watching TV and a little more time in reading. Care in the choice of TV viewing can lead to the selection of excellent educational programs.

## EXAMINATIONS

Fifty-eight pupils were successful in passing the proficiency certificate examination. Meritorious results were those of Rudith Prins, 8 credits out of 9 passes and Johan Smith, 8 credits out of 9 passes.

The Ladies' Auxiliary has again awarded a prize for the girl most proficient in Domestic subject, and the Advisory Council has again awarded a Dux prize, and the Parents' and Citizens' Association a prize for Citizenship.

## ADVISORY COUNCIL REPORT

The Advisory Council for the current triennial period consists of 15 members representing the parents, local interest, and the councils of Altona, Footscray, Sunshine, and Williamstown. It was constituted in July of last year, and is continuing with the projects commenced by the original Advisory Council, which was presided over by Cr. Bond, of Altona.

The chief of these was the construction of the school canteen, funds for which were raised by the Parents' Association supplemented by a subsidy of £300 from the Education Department. It is with great pleasure that we report that the canteen was occupied from October 1. The Education Department also provided canteen equipment to the value of £600.

The canteen is now operated by a committee, in accordance with the requirements of the Education De-

partment, and after certain essential items are purchased, should afford a welcome source of revenue.

The project of most concern for 1963 will be the filling, levelling and sowing of the swampy area in the front of the school. Filling has been purchased and will be levelled, covered with loam and sown with grass so as to be available as a recreation area.

Bicycle racks sufficient for 150 bicycles have been placed in the grounds and are now fully occupied. The provision of shelters for these bicycle racks is to be considered as soon as funds are available.

The accommodation at the school will soon become inadequate, and in September year the Advisory Council directed the attention of the Education Department to this. In reply the Education Department stated that—

"The erection of the third section is included on our building program but because of other more urgent commitments it is unlikely that work will be undertaken before next financial year. Up to the present, we have not been able to provide the fourth section at any of our light timber construction buildings and because of the continued demand for classroom accommodation, it is unlikely that this section will be provided at any school for several years."

## SCHOLARSHIP WINNERS

1962 JUNIOR SCHOLARSHIP: Alex Best, Johan Smith, Alan King, and Edmond Szatkowski.

## FREE PLACE

George Preston, and Valerie Smales.

1963 JUNIOR SCHOLARSHIP: Peter Kamen, Vivian Smith, Lorna Zarth, Lynn Dring, Carla Kraft.

## FREE PLACE

Sandra Bradbury, and Barbara Stopperton.

## PETROLEUM REFINERIES SCHOLARSHIPS

These children were presented to Mr. Rea, representing the P.R.A. on the Advisory Council—

Joyce Taylor, Angela Markovic, Vivienne Baker, Maryellen Gerring, Vivien Clissold, and Gay Ceppa.

## WILLIAMSTOWN CITY COUNCIL SCHOLARSHIPS

These children were presented to Cr. Knight, Mayor of Williamstown, who is representative of the W.C.C. on the Advisory Council—

Richard White, Eileen Clare, Marian Paule, and Gael Boyd.

## CARBON BLACK

These children were presented to Mr. J. Scott, of Australian Carbon Black—

Avril Privett, and Alan King.

## SPECIAL PRIZES

Parents' and Citizens' Association for Citizenship

Ursula Liedke.

Ladies' Auxiliary for Domestic Subjects: Margaret Roosmalen.

Advisory Council — Dux: Rudith Prins.

## The Social Whirl

If you have any news of a birthday, engagement, wedding, or social event, it can be included in these pages. Phone 65-8880—there is no charge.

### SCOUT NEWS

Last Thursday evening a "going-up" ceremony was held at the hall. It was pleasing to see parents respond so well to the invitation to witness the cubs farewelling of Tom Colling, Garry England, and Wilson Heriot. All three boys are now part of 1st Altona Troop.

During the evening Garry England was presented with his "Leaping Wolf" badge, and Cubmistress Denise Hill, received her Warrant. Congratulations go to both these young people.

### SCOUT DANCE

Next Saturday, March 16, a dance will be held at the scout hall. Excellent music, and a good nights fun for all is assured. Supper will be served.

### WORKING BEE

The "Pines" working bee has been arranged for Sunday next. Take a cut lunch. Tea and drinks will be supplied.

A full roll-up is hoped for to help bring this area nearer to completion.

### PARISH PICNIC

On Saturday, March 16, St. Eanswythe's annual Parish Picnic will be held at the You Yangs picnic reserve. The Men's Society, who are organizing the picnic, have arrangements well in hand, and are planning a varied program of games and contests for all ages to be held during the afternoon. Many people will be going by special bus, and other by private cars.

### ST. EANSWYTHE'S GFS

Quite a good contingent from St. Eanswythe's Girls' Friendly Society will be attending the Annual Communion Service and Breakfast for the G.F.S. in Melbourne at St. Paul's Cathedral on Saturday morning. Most of the girls will be going on to the Parish Picnic.

### VISITOR FROM NEW GUINEA

Mr. and Mrs. G. den Dulk, of Bracken Grove were pleased to receive a telegram on Tuesday that Mrs. den Dulk's sister, Miss Johanna Foeken, is coming to spend a few weeks with them.

Miss Foeken hails from Sorong in New Guinea and arrives in Altona tomorrow.

It will be their first reunion in 15 years.

### COUNCILLORS TO PLAY CRICKET?

The Altona Central Football Club have formally challenged councillors of the Shire of Altona to a cricket match.

The Shire President, Cr. A. W. Bond, had invited representatives of the club along to the last council meeting and they issued the challenge. Representing the club were Mr. Bruce Johnson, president, Mr. Sid Murrell, Secretary, and Mr. Les Sellman, Coach. Cr. W. Cresser is inclined to think hockey is more in his line.

The representatives of the club stressed the point that they are footballers and very amateur cricketers. Therefore, they asked the councillors not to "ring in" any test cricketers into their team.

The council accepted the challenge, but the matter of dress worried Cr. V. Hearn. He asked, "Will the challengers be dressed in immaculate whites, if so, does it matter what the councillors wear?" Cr. Hearn was reassured that the challengers are not the owners of correct cricketing rig and if a player wishes to wear a boiler suit, he may.

But councillors were warned that a hard ball will be used, and as Cr. Lee said, "That is quite in order so long as we can use one too."

As the club's oval is still under repair it was decided to "stage" the match on Grant Reserve. The date for the game has been left in the hands of the Parks and Gardens Committee.

### RECORD AND DANCE NIGHT AT Y.C.W.

The Altona Y.C.W. is holding a Record and Dance Night on Sunday, March 17, at 7.30 p.m. in St. Mary's Hall.

Those attending are asked to bring their own records. This will be the Y.C.W.'s opening event for the year and the first since its Fancy Dress Ball in December.

### YOUNG WIVES

Last Tuesday night the Young Wives Group of St. Eanswythe's and a number of visitors, spend an interesting evening watching two films about the psychology of children. The films, "Shyness," and "From Sociable Six to Noisy Nine," were made available by the National Film Board of Canada.

### HAT PARADE

Last Wednesday night the Astron Club, held a meeting at the home of one of their members. During the evening a milliner gave the members some lessons in how to make hats.

The milliner brought along a number of hats to demonstrate to the members how one style would suit them and not another.

Much hilarity was enjoyed by those present when trying on hats that were either too large or quite unsuitable for them.

But all were impressed by the tips the milliner was able to give on suitable styles and colours for the individuals.

Everybody voted it a pleasant night. One thing members request is that in future will their husbands please keep a check on car batteries to save the wives pushing cars up and down Maidstone Street to get them started.

### CRICKET MATCH AT CARBON BLACK

This Sunday, March 17, the Carbon Black has issued a challenge to the Southern Cross Cricket Club. The match is to be played at the A.C.B. ground in Millers Road.

Southern Cross Coach Ray "Tubby" Curwood said today that his team was very confident of a win.

Several Southern Cross players are quite hopeful that Bob Moody will play for the Carbon Black.

### ALTONA PRIMARY SCHOOL CRICKET

Altona failed to score freely against a hostile Werribee attack in a very good game. Final scores were: Werribee 2/56, defeated Altona 4/32. Best: Chalmers, Thomas, and Chatfield.

### ALTONA HIGH SCHOOL NEWS

New members who joined the staff of the Altona High School at the beginning of this year are—the new headmaster, Mr. W. J. Storey, D.F.C., D.A., Dip. Ed., Mr. Rosenbloom, B. Com., T.S.T.C., Mr. Madejski, T.P.T.C., Mrs. George, Baccalaureat Français and Mrs. Williams, T.P.T.C.

During February all Form III students had a medical examination. This is an annual occurrence for Form III pupils and in his way the medical team examines all students as they move up in the school.

Very acceptable to the school was the gift by Petroleum Refineries (Aust.) Pty. Ltd., of a desk and padded chair to be used in the headmaster's office.

Prefects for the year are—Boys: T. Fogarty, senior prefect, G. Briscoe, J. McConnell and M. Kmetko; Girls: L. Widemann, senior prefect, B. Lobb and P. Willett.

House Captains are:—Batman: Ron Dawson, and Susan Erickson. Keera: John McConnell, and Pam Willett.

Paterson: Terry Fogarty, and Agnes Klisenko. Tooronga: Alan Skipworth, and Marilyn Weedon.

### MOTHERS' CLUB

The annual meeting of the Altona High School Mothers' Club was held last Tuesday.

Office-Bearers elected for the ensuing year are—President: Mrs. Marr, Vice-President: Mrs. Horsborough, Mrs. Chandler, and Mrs. Hunter, Secretary: Mrs. Neal, Assistant Secretary: Mrs. Bush, Treasurer: Mrs. Weedon.

The meetings of the club are held on the first Tuesday in every month at the school at 1.30 p.m. Members would like to see more of the new mothers coming along to join them and they cordially invite all mothers to attend the meetings.

## FLOOD RELIEF

The agitation by the City of Coburg and the Shire of Altona for State aid for flood victims has had a successful conclusion. At the last council meeting Cr. H. W. Lee explained how the Premier, Mr. Bolte, was not previously prepared to discuss relief for flood victims of the flash flood last January but he now seems to have changed his opinion.

During a meeting called in February by the City of Coburg and attended by representatives of the Altona Shire, it was decided to arrange a deputation to wait on the Premier but it now seems that no good purpose would be served by the deputation.

Following is an extract from a letter sent by the Secretary of the Premier's Department to Mr. Mutton, M.L.A.—

"You will be aware that the Government has agreed to make available some assistance by way of a grant to those persons who may be in distress or suffering hardship as a result of the flooding. This is the normal basis upon which assistance is granted in cases where people sustain losses or damage to property as a result of bush fires or floods."

"Any person desirous of obtaining assistance should write to the secretary, the Premier's Department, Treasury Place, Melbourne, who will be arranged for

the necessary form of application to be forwarded to him."

Cr. Lee said applications on the proper forms will now be given consideration and he hopes the Premier's Department lives up to their letter and the victims receive compensation.

In his report the Shire Secretary, Mr. J. W. Waters, stated 23 claims have been received at the Shire Office listing actual and estimated damage at £2,224. Sixteen of the applicants had water in the house from a depth of 3" to 18" maximum. But he could still call to mind two or three people who have failed to complete and return the forms issued to them even though they suffered damage by having water inside their houses.

The Shire Secretary will now send a letter to the applicants who returned the council forms explaining what action they must now take in this matter.

### WEDDING ANNIVERSARY

Congratulations to Mr. and Mrs. Kenneth Hook on the 30th anniversary of their Baptist Church, Altona, on wedding, celebrated at the March 11, 1933.

Mr. and Mrs. Hook, who live in Civic Parade, Altona, will be at home on Sunday, March 17.

### GUIDES AND BROWNIES

On Saturday, March 16, at 2 p.m., at 42 Civic Parade, Miss Joy Rosling will hold a bazaar in aid of the Guide Building Fund.

On sale will be childrens aprons, dolls clothes, sweets and drings &c. All kind friends please note and encourage this effort.

## OBITUARY

Winifred Mabel Campbell, of 27 Romawi Street, Altona, passed quietly away last Sunday at the Altona Hospital.

The late Mrs. Campbell was the wife of Maxwell (Rex), Campbell and the mother of David, Alan, Yvonne and Maureen.

She was born at Crosskeys, South Wales on November 16, 1913.

Her parents (the late Charles and Emily Watkins) migrated to Australia in 1930 and settled in Altona where Mabel has lived ever since with the exception of a period of three years spent in St. Kilda and Footscray.

Mabel and Max were married in the Altona Baptist Church on December 23, 1937.

A retiring person, who occupied herself with her home duties and church activities, she will be sadly missed by those near and dear to her and by others who knew her.

### ALTONA HISTORICAL SOCIETY

A meeting of the Altona Historical Society is to be held next Wednesday night in the Elderly Citizens' Hall at 8 p.m.

Cr. V. Hearn has tried to convene two meetings previously but both have fallen through. However, great interest has been shown by a lot of people who have souvenirs of early days in Altona and do not know what to do with them.

All interested residents are most cordially invited to attend this meeting.

### ELDERLY CITIZENS' DANCE

The monthly dance ran by the Elderly Citizens' Social Club will be held in the hall on Saturday, March 16, at 8 p.m.

Dancing will be old time and modern as requested.

YACHTING NEWS

Due to unfavourable conditions racing for the Miscellaneous Class, which consists mainly of junior members, was cancelled last Saturday.

HORNETS

Last Saturday's race was a "Stern-Chaser," that is, each boat started on its handicap. First away was "Cutty Sark" (Alex and Keith Robertson) on 10 minutes. Next on nine minutes was "Rock 'n' Roll," then "Moonraker" on eight minutes. "Althea" (Keith Wallwork and Alistair Pirie) followed on three minutes, with "Genesta" (Sandra Korf and John Andress) on two minutes, and "Athene" on one minute. Scratch Boat was "Jet" (Tom and Coral Jones). "Genesta" was forced to withdraw in the second lap when she fouled a buoy. The most interesting highlight of the race was the tussle between "Moonraker" and "Rock 'n' Roll." These two boats were neck and neck for the entire race and "Moonraker" eventually won by a very slender margin.

PLACINGS

"Moonraker" (Alan Owen and John Butterworth), 1; "Rock 'n' Roll" (Peter and Helen Jol), 2; "Athene" (John Bartlett and Harry Jol), 3.

KOORINGAL GOLF

Saturday's Stableford competition results are as follows—

A Grade—P. James, 42 points (3).

B Grade—G. Rich, 39 points (13).

C Grade—L. Smith, 39 points (18).

Sunday's Mixed Foursomes again attracted a large entry and the ultimate winners were—

BEST NETT—A. J. Wilson and Mrs. Wilson, Nett 71½ (22½).

BEST GROSS—R. Caithness and Mrs. Montgomery, 83.

BEST 1st NINE—R. Jacobsen and Mrs. Jacobsen, Nett 34½ (51).

BEST 2nd NINE—C. Mathieson and Miss McNeil, Nett 32½ (10½).

Bogey competition resulted in a tie between L. Brooks (24) and A. Butterworth (21) both finished square.

Monday's Stroke results are as follows—

A. Barrett, Nett 66 (26).

G. Rawlings, Nett 66 (26).

P. Coster, Nett 67 (14).

P. McDevitt, Nett 69 (14).

Next Saturday is the first round of the A. Walker Summer Cup.

FASTEST TIME

"Athene" took the honours for fastest time.

ALTONA DART LEAGUE NOTES

With the first round completed, the respective standard of each team has become a little clearer. The results are as follows—

Bristol Hotel d. Goodrich, Union Carbide d. A.W.M.C. (2). A.W.M.C. (1) d. Cheetham Social Club, Yacht Club Hotel d. Altona Darts.

Some confusion resulted over the score sheets and a new score sheet has been drafted which should give all the required information without being complicated.

Altona Hostel has applied to join the League and this team will now take up the Bye. See fixtures on page 7 of this issue.

Matches this week (with likely winners in capitals) are —GOODRICH v. Altona Coun. Altona Darts v. BRISTOL H. YACHT CLUB H. v. Cheetham S.C. U. Carbide v. A.W.M.C. (1). Altona Hostel v. A.W.M.C. (2).

The match between Altona Hostel and A.W.M.C. (2) will be played upon agreement between the two clubs before Friday, March 22, as A.W.M.C. (2) had made prior arrangements owing to the bye.

oOo

TABLE TENNIS NEWS

SUMMER SEMIS

In an entertaining series of semi-final matches, the closest contest was that between Seagulls and Maidstone Red in D3. Level at 5 sets each, Seagulls won narrowly at 6-5 when Harry Folkers defeated L. Partridge in the eleventh rubber 23-21, 19-21, 21-17.

Undoubtedly the most strenuous match was that between old rivals in Automotive Components and Warren & Brown. Although A.C.L. won by 6 sets to 3, aggregate points were 483 to 477, and 8 out of 9 rubbers went to three close sets. Outstanding player was Tony Zino, with three close wins.

In A Grade Sunshine turned on one of their best perfor-

Athletics at Newport Oval

Next Sunday, March 17, the Williamstown Amateur Athletic Club will be conducting an Athletic meeting at the Newport Oval commencing at 2 p.m. With the athletic season fast drawing to a close a large entry has been received for each of the events to be staged, which include Invitation and Handicap events from 100 yards to two miles; Invitation jumping and Field events and a five mile road race as a tune up for the opening of the cross country season.

This will be the first meeting to be staged by the Williamstown Club that has been completely sponsored by local business people and this fact could augur well for the future of the sport as several clubs, including East Melbourne Harriers and the Box Hill Womens' Club, have also realised the necessity for sponsorship if these special meetings are to be staged to provide competition for athletes.

The Invitation 100 Yards has drawn a strong field and includes Tony Davis, who recently flashed to the forefront as a top sprinter. Steve Ward also a top flight sub-10 second performer, and promising juniors Brian Roche and Ian Thomson.

Based on his recent return to form with placings in both the 3 and 6 Mile State Championships, Geoff Warren should start favourite for the Invitation 2 Miles on his home track.

State Decathlon Champion, John O'Neill, who has regained last season's form, may cause an upset in the Invitation Pole Vault, as this track has always brought out his best. Heine Tender, the Australian Estonian Champion in the Shot Putt will probably annex this event, but Jan

mances for the season in losing to Maidstone 6-3, with only 20 points separating the teams. For Maidstone, Rowan and Rogers were decisive; for Sunshine Frank Slawitschka proved best, ably supported by Nick Slawitschka and Matt Landherr.

In B3, Kingsville (T. O'Halloran, P. Linquist, J. Coccoli) narrowly defeated Bulldogs (K. O'Sullivan, B. Moloney, K. Rowan) 6-4. With a little bit of luck, this could easily have gone either way, and both teams proved worthy finalists.

Doubles strength proved a major factor in C1, when Maidstone defeated Vickers, Detroit 6-3. Robert Greig was dynamic with three wins; B. Rowbottom and B. Moloney next with two each.

Good doubles play also helped Standard Steel (L. Chun, P. Tregaskis, and Gates) to a 6-2 victory over Seagulls (E. Mitchell, J. Dugan, and T. Shield) in C2.

Again in C3, the importance of doubles wins was demonstrated, when A.G.M. defeated Seagulls 6-2 in a close and hard-hitting contest. Best players, Joe Abela and H. Luetzenburger, two wins each.

In D1 Southern Cross (Tom Nichols, Ray Curwood, and Dave McKenzie) started well, but went down fighting to Bodington (C. Gibbard, C. Gadd, and P. Polidano). Final scores were 6 rubbers to 3, and 352 points to 329.

One of the most improved teams in the competition, Williamstown Amateur Athletic Club, proved too strong for A.G.M. in D2, winning 6-2. However, 5 out of 6 rubbers went to three lengthy sets, and of these A.G.M. were unlucky to lose four. In the even side, Taylor, Sharman and Braithwaite played well for W.A.A.C., and Cameron, Vernon and Bennett for the losers.

FINALS AT CENTRE

Finals this week will be played at the Table Tennis Centre, Garden Street, Williamstown, on Thursday, and Friday of this week, as follows—

A Grade: Altona v. Maidstone.

B1: Bodington v. Automotive Components.

B3: Victoria Wool v. Kingsville.

C1: Newport Presbyterians v. Maidstone.

C2: Sunbeam v. Standard Steel.

C3: Apex Belting v. A.G.M.

D1: Seagulls v. Bodington.

D2: Williamstown Red v. W.A.A.C.

D3: Maidstone v. Seagulls.

# ALTONA HIGH SCHOOL SWIMMING SPORTS

The Altona High School held their fifth annual swimming sports at the Werribee Baths on Wednesday, March 6. The sports were won by Paterson House, to make it the fourth year in succession.

The trophy presented is the "I. Skipworth Cup," donated by the parents of Alan Skipworth.

Competing Houses were—  
Batman (B), Kerra (K),  
Paterson (P), and Tooronga  
(T).

Girls' Open Butterfly, 25  
yds.: A. Klisenko (P), 1; C.  
Hitchcock (K), 2; B. Lobb  
(P), 3; J. Hayes (K), 4. Time:  
20 sec.

Boys' Open Butterfly, 55  
yds.: A. Skipworth (T), 1; R.  
Dawson (B), 2; J. Berger (B),  
3; J. Embling (K), 4. 32.3.

son, 186; Keera, 171; Tooron-  
ga, 110; Batman, 91.

## CAR RAFFLE TICKETS SELLING

### WELL

Tickets for Footscray and District Hospital  
Helpers' Organisation's annual car raffle are selling  
well.

Teams of voluntary workers have been selling  
hundreds of tickets in the heart of Footscray's shop-  
ping centre since the raffle commenced on February  
1. A large number of factories have taken books of  
tickets, and quite a number, having sold their quota  
have applied for more books.

The Hospital's Riverview  
Auxiliary have had phenom-  
enal success in selling tickets  
at Trotting Meetings at the  
Showgrounds. Proceeds of the  
raffle will add to the Hospital  
Helpers' fund for sponsorship  
of a new Casualty Theatre  
Block to be built at the Hos-  
pital this year.

The raffle will be drawn  
on April 10.

### HOSPITAL GARDEN FETE

Plans for the annual Foots-  
cray and District Garden  
Party and Fete are well in  
hand, organisers are busily ob-  
taining prizes for competitions

constructing new stalls and  
making the hundreds of de-  
tailed arrangements necessary  
for an event of this magnitude.

The Garden Fete, which will  
be held on Saturday, March  
16, in the Hospital grounds is  
the big event of the Hospital  
year.

The ladies have been dili-  
gently making and soliciting  
things to sell from their stalls  
and hundreds of school chil-  
dren are selling programs.

Geoff Hiscock of GTV9 will  
be comparing the program  
which promises to be the best  
ever.

## WILLIAMSTOWN AND ALTONA DISTRICT SCHOOL SPORTS ASSOCIATION

The following is a tentative draw for cricket  
and softball for inter-school sport and is subject to  
alteration and confirmation by representatives of  
association schools—

### SECTION 1

#### March 14

Newport v. W'town North  
Altona East v. Newport West  
Williamstown—Bye.

#### March 21

W'town Nth. v. W'town  
Newport West v. Newport  
Altona East—Bye.

#### March 28

W'town v. Newport West  
Newport v. Altona East  
Williamstown North—Bye.

#### April 4

W'town v. Newport  
W'town Nth. v. Altona East  
Newport West—Bye.

### SECTION 2

#### March 14

Seaholme v. Altona  
Altona West v. Werribee  
Laverton—Bye.

#### March 21

Altona v. Laverton  
Werribee v. Seaholme  
Altona West—Bye.

#### March 28

Laverton v. Werribee  
Seaholme v. Altona West  
Altona—Bye.

#### April 4

Laverton v. Seaholme  
Altona v. Altona West  
Werribee—Bye.

The Laverton School is the  
one in Armstrong Street.

Visiting schools should con-  
tact the home team to ar-  
range venue for the match.

Home team must forward  
details of results to the sec-  
retary each week.

## ALTONA WEST PRIMARY SCHOOL

Last Thursday evening the  
Mothers' Club annual meeting  
was held at the School. There  
was a good attendance.

The election of office-bearers  
resulted as follows—

President, Mrs. Thyer; Vice-  
Presidents, Mrs. Pierce, and  
Mrs. Lockwood; Secretary,  
Mrs. Rivett; Assistant Sec-  
retary, Mrs. Thompson; Treas.,  
Mrs. Morgan.

To help raise funds a beetle  
afternoon will be held at the  
residence of Mrs. Holden, 230  
Civic Parade, at 1.30 p.m.,  
on Wednesday, March 20.

## ROAD SAFETY STARTS WITH YOU

Straight roads are the  
most dangerous of all, ac-  
counting for nearly half  
our road deaths. The  
driver who pushes the ac-  
celerator "flat to the  
boards" on straight roads  
particularly in the coun-  
try, stands a good chance  
of taking off—perman-  
ently—**Australian Road  
Safety Council.**

## LIFESAVING CLUB NEWS

Last Sunday the Club com-  
peted in the Melbourne Subur-  
ban Beaches Carnival, held at  
Sandridge Lifesaving Club, and  
were successful in winning the  
senior womens, junior girls &  
junior boys reel and line  
events. In the overall aggre-  
gate Altona took second place  
to the Williamstown Club.

On Sunday, March 17, at 1  
p.m., the Altona Club Cham-  
pionships will be held on the  
beach opposite the clubhouse  
when a full program of events  
should provide an enjoyable  
afternoon.

An inspection by the Royal  
Life Saving Society Patrol  
Officer on Sunday, March 10,  
resulted in full points for our  
beach patrol on duty that  
day.

### SPECIAL EFFORT

1st: Mrs. Kimpton, 23; 2nd:  
Mr. Pavay, 25; 3rd: Mrs. I.  
Fry, 154.

Consolation: Mr. F. Jump-  
ertz, 59; Mr. B. Russell, 180;  
Mr. Foster, 193; and Miss J.  
M. Smith, 69.

### DONATIONS FOR TROPHIES

The Lifesaving Club grate-  
fully acknowledge donations  
from Mr. and Mrs. L. C.  
Noordenne and the National  
self-service for the purchase  
of trophies which will be  
competed for at the annual  
club championships carnival  
on Sunday.

oOo

## ALTONA HOCKEY CLUB NEWS

The Moomba Carnival was  
concluded last Sunday at  
Royal Park and as was pre-  
dicted last week, Altona won  
their two games to be equal  
second at the end of play,  
but were out of the finals on  
percentage, the margin being  
one goal.

It was evident during the  
last game against St. Kilda  
that Altona are lacking in  
teamwork and understanding  
which cost them many goals.  
To keep up this pre-season  
form, stickwork and individual  
play will have to improve.

Players are still needed in  
the Club and old and new  
players are invited to train-  
ing at Grant Reserve.

## Rotary Clubs' 58th Anniversary

Founded on February 23, 1905, by Paul Harris, the Rotary movement celebrated its 58th anniversary this year. Now a world-wide movement of more than 11,415 Rotary Clubs covering business and professional men, it was based on the principle that business relations should foster friendly relations.

This idea has been extended to cover four avenues of service—community, international, vocational and Club service.

In Chicago, a young lawyer Paul P. Harris, and three business associates formed the nucleus of the Rotary movement.

Rotary's program is expressed in its object which is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster—

1. The development of acquaintance as an opportunity for service;
2. High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying by each Rotarian of his occupation as an opportunity to serve society;
3. The application of the ideal of service by every Rotarian to his personal, business and community life; and
4. The advancement of international understanding, good will and peace through a world fellowship of business and the ideal of service.

Rotary is a world fellowship of business and professional executives who accept the ideal of service as the basis for success and happiness in business and community life.

In Rotary, thoughtfulness for others is regarded as the basis of service, and helpfulness to others as its expression. Together they constitute the Rotary ideal of service.

Rotary is not a secret organisation. Rotary does not seek to supplant or interfere with any religious or political organisation.

Rotary expects a member to be faithful to his religion and loyal in his citizenship.

From the beginning the Rotary ideals of friendship, fellowship and service to others have spread through six continents. They have been accepted by men of practically all nationalities—with many different political and religious beliefs—by more than half a million business and professional executives in 124 countries throughout the world.

## SEAHOLME PRE-SCHOOL CENTRE

The Play Group has got away to a very good start at the Methodist Sunday School, Seves' Street, Altona. This temporary accommodation is very comfortable and thanks are due to the council for their wonderful work in bringing this about.

There are vacancies in the group, and any mother desirous of enrolling her child can contact Mrs. L. Clarke, at the Sunday School Hall any day during the week.

A meeting of mothers will be held this Friday afternoon March 15, at the Sunday School Hall at 1.30 p.m., and all mothers are requested to attend if possible. A representative from the council will be there to answer any queries.

## MOOMBA IN MELB.

"Moomba" in Melbourne, as seen through the eyes on an English journalist. The following excerpts were taken from an article in a London daily.

The spirit of flaming fun eludes "Moomba."

Perhaps—the suggestion is made with diffidence—it may be due to the quaint Victorian liquor laws which shut all the pubs at 6 p.m.

Anyway, there was the Queen, resplendent in palest sea-green shantung with white Breton hat, sitting outside the Melbourne Town Hall as the "Moomba" procession of floats started.

Most of them were liberally besprinkled with adorable, sun-kissed, pre-packed super-stacked, instant Australian lovelies, some wearing little other than vast smiles.

One of them, got up for the beach, was displaying her navel in the cause of science, and as a bystander was heard to remark, "The Queen looked real sour when she spotted it."

Some of Australia's famed life guards (male division), attired in nylon scanties and enormous rippling muscles tanned ginger-tint, clearly passed muster.

Many of the glorious girls tried to curtsy as they went past. No easy feat. One of them, an irresistible number, turned on the full treatment for Prince Philip and gave him a special wave.

### RESTRAINT

Drawing on I know not what superhuman reserves of restraint, Philip refrained from waving back.

The Queen bestowed her first—and indeed last—wave on the float carrying the Girl Guides. She seemed a bit taken aback when the Melbourne Gas Board's contribution went by.

This float apparently contained nothing human other than yet another group of glorious girls. But suddenly up from some hideaway popped the head of a shirt-sleeved male—and started

taking close-up photos of the Queen and the Prince. Heavens!

Then came an outstandingly ambitious float provided by the Retail Traders' Association. It represented Anthony and Cleopatra on a sofa together and there were admiring cries of "She's just like Liz Taylor!"

The supreme accolade.

The trades union float highlighted the theme "recreation and rest" and gave us a shapely young woman in a super-short sky-blue nightie and the only aboriginal girl seen in the procession.

### BEWILDERED

For some time there was a bit of bewilderment on the part of the onlookers at the Queen's apparent lack of reaction to, or evident enjoyment of, the spectacle.

This was variously put down to royal protocol over not "playing favourites" or else not applauding floats which might have some commercial backing.

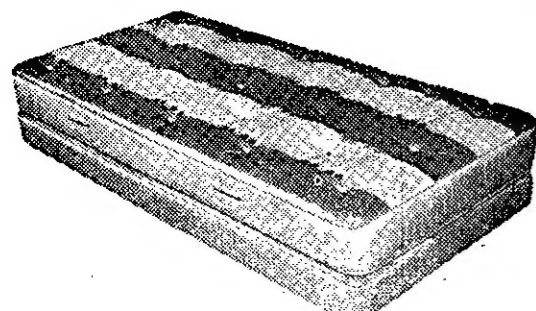

But now and then it was different. The Queen permitted herself a smile at a group of beatniks, one reading a huge book entitled "Lolita."

And when, on another float, the front legs of a two-man stage cow knocked together in mock terror at the sight of the monarch, she grinned all over her face.

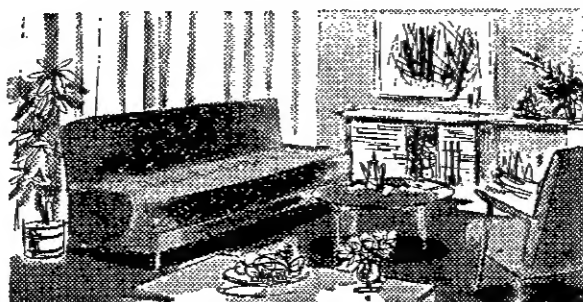

The authorities said 750,000 people, were in the streets. They sang "Waltzing Matilda" and everyone went home happy to await the rest of the "Moomba Festival."

Meantime, the Queen sailed in Britannia for Hobart, Tasmania.

## GAME RULES

Teams will be of six players.  
Singles: 201 double in, double  
out.

Pairs: 501, double in double  
out.

Sixes: 1001, double out.  
Games will be played at the  
home ground of the first  
named club.

Games will commence at 8  
p.m. sharp.

The home team is to ring  
through scores to K. McNeil-  
age, Bristol Hotel, by 10 a.m.  
each Saturday (65-6088).

Score sheets are to be in  
the hands of the secretary by  
the following Monday.

## ALTONA PRIMARY SCHOOL NEWS

Last week a television re-  
ceiver with a specially fitted  
loud speaker was installed at  
the Altona Primary School for  
the use of pupils from Grades  
II. to VI.

The set was granted to the  
school by the Education De-  
partment and is one of 20  
similar sets which will be  
used for experimental tele-  
casts to test the worth of  
television as an aid to State  
Primary Education.

Programs throughout the  
year include films related to  
health, social studies, nature  
study, and music and one  
series for Grade VI. called,  
"About Books," will assist the  
children in the wise choice of  
novels for their individual  
reading.

## CRICKET

Last week inter-school sport  
commenced and Altona had a  
successful day against the  
smaller Altona West School.

Altona 4/56 dec., defeated  
Altona West 7. Captain Neil  
Thomas top scored with 26  
and captured 4 wickets for 1  
run, and was ably supported  
by G. Braental 5/1.

The team combined well  
and a successful season is an-  
ticipated.

Parents, children and  
frineds associated with the  
Altona Primary School will  
be pleased to hear of the  
good recovery of Mr. Trey-  
vand in hospital. It is  
hoped that he will be back  
at the school within a  
month.

## MARCHING GIRL NEWS

Champion teams from this area took part  
in the Parade of Floats in Williamstown on Sunday,  
March 10.

Gerry Guilfoyle, West Newport's popular presi-  
dent, has been absent from marching circles throug-  
hout the Queen's visit. Reason is he was selected as  
one of the Queen's two car drivers throughout the  
Royal Tour.

Williamstown Seagulls,  
trained by Alwyn Parker, and  
led by daughter Ann, had the  
honour of marching in the  
Moomba Parade before her  
Majesty.

Something of interest for  
everybody, that is the aim  
of the West Newport Health  
and Recreation Centre's "All  
Sport's Day," at Loft Re-  
serve, West Newport on  
April 21, in which the girls  
will play a part. It com-  
mences at 10.30 a.m. and  
promises to be an entertain-  
ing day—Don't miss it!

The Flamingoes and the  
Waves both won their respec-  
tive grades in the Metropol-  
itan Championships for 1963.  
Also among the placings were  
Williamstown's Senior Leader  
Ann Parker, Altona Midgits  
and West Newport Juniors.

## THEATRE NIGHT

The Williamstown Little  
Theatre held a preview  
night of "Dracula" on Mon-  
day, March 18, to assist the  
Flamingoes trip to Sydney to  
contest the Australian Cham-  
pionships.

### SEAHOLME STATE SCHOOL NEWS MOTHERS' CLUB

The first meeting of the Seaholme Mothers' Club was held at the School on Tuesday, February 19. There was a record attendance; enabling a four-weekly roster of three ladies each day, to work on the tuckshop.

It was decided at the meeting that the building of an assembly hall would be the number one project of the year, and an immediate start be made for fund-raising for this project.

### PARENT-TEACHER ASSOCIATION

The first P.T.A. night for 1963 will be on Friday, April 5. This night will feature a coloured film, "Cuisenaire Number," showing the development of cuisenaire by Dr. C. Gattegno.

### NEW TEACHERS

New teachers, who commenced duty this year are—Miss Dale White, Grade I; Miss Helen Walker, Grade II; and Miss Helen Lapidus, Grade IIIa.

## BUYING A HOME

The statements made by Mr. Frank Sheehan, Vice-President of the Real Estate and Stock Institute of Victoria, following his investigations overseas, has resulted in support for the idea of a Federal Housing Authority of a type which has been operating successfully in America and Canada for many years.

Mr. Sheehan said that Americans were only obliged to pay low deposits on both new and existing homes because there was a Federal Housing Authority guaranteeing loans on the first mortgage equity. He said that after making allowance for all factors, Australia was very much worse off in home finance than countries such as Canada, U.S.A., and the U.K.

Mr. Frank Foy, secretary of the Real Estate and Stock Institute of Australia, said that the establishment of an F.H.A. in Australia was a very important part of the Australian Institute's tenpoint plan to provide more finance for homes.

The Australian Institute has made representations to the Federal Government—

1. That a Commonwealth Authority, or a Commonwealth States Organisation similar to the F.H.A. in America, should be set up to insure Home Mortgages in Australia.

2. That any such scheme established to provide finance for home ownership should treat existing homes and new construction on the same basis.

3. That a F.H.A. type of Government mortgage, insurance, scheme with its interest rate could not fail to discourage the continuing general trend towards higher interest rates, and also to sharply limit the opportunity of the fring

banking institutions to charge exorbitantly high interest rates.

4. That an F.H.A. type scheme in Australia would aid the Government in its Immigration Program.

5. That a change in Government policy to place existing homes and new construction homes on the same finance priority level would not adversely affect employment in the Building Industry.

Mr. Foy said that the Institute also supported the Long Term Low Deposit Housing Finance Committee established in Victoria, which had advocated that Government and Private Lending Institutions should make loans on existing houses as well as new houses. This Committee also supports the Government guarantee of housing fund raising.

As a result of the activities of the Victorian Committee a National Housing Finance Conference was formed last year.
